

# Discover Finnish culture and Saimaa Geopark

## Three (and 7) nights accommodation package in Salpalinjan Hovi

This trip is for you, who are interested in nature and want to explore Finnish culture. Enjoy beautiful, fresh nature and great lake views in Saimaa GeoPark by hiking or cycling. Take a refreshing tour around our Village trail. Explore the neighbouring saw history sites.

Relax in the Sauna. Sauna is the oldest and the most traditional healing and relaxing wellness element in Finland.

You stay comfortably in the manor-style hotel Salpalinjan Hovi, 9 km from the city centre of Lappeenranta. Hotel building is a former village school built from logs. We have six, unique apartment suites which have been beautifully renovated according to different school subjects. Hotel is situated in the middle of South Karelia`s beautiful nature and next to Saimaa Geopark sites.

Together with our co-operative companies we can provide many sorts of added activities and program services according to your wishes. So every day you will find exciting things to do or interesting places to visit.
